INSTRUCTIONS FOR SHORT-TERM PARKING

Rokkiparkki - The underground parking facility in Jätkäsaari

1 ENTRANCE (VÄLIMERENKATU 12)

To enter Rokkiparkki, show the QR code that you obtained via email or SMS to the reader at the barrier. Insert the phone or printout, with the QR code facing up, into the reader. A suitable size for the QR code on paper or on the phone's screen is approximately 4x4 cm. The code reader slot is approximately 15 cm wide. Set your phone screen brightness to 100%.

To enter Rokkiparkki, drive down the ramp and take the second exit at the roundabout, following the Rokkiparkki signs.

3 PEDESTRIAN ENTRANCE (VÄLIMERENKATU 15)

The pedestrian doors are colour-coded. The door closest to the Clarion hotel is the A-door, which is marked in orange. To go through the pedestrian doors, use the PIN code that came with the QR code.

4 EXIT

You exit in the same way as you entered. Show the QR code to the reader at the barrier and the barrier will open.

2 PARKING SPACES

The parking spaces in Rokkiparkki are free, and you can park on levels P1 and P2. There are separately marked spaces for accessible parking and electric vehicle charging, as well as a car wash on level P2. Hotel customers should park close to the A-doors, marked in orange.

There are public charging stations for electric vehicles in the parking facility. The charging stations are operated in the same way as any public charging station. You can check in at the charging stations as a Virta.fi customer or with the ID of another operator that is compatible with the Virta service. The charged energy will be added to the regular invoice for your electric vehicle. If necessary, register in advance at virta.fi
