

# MEETINGS AT CLARION ARLANDA

## SCANDINAVIA'S CLOSEST MEETINGPLACE

It all started with an idea of an airport hotel that is not like any other. A place where experiences are more important than uniforms and where caring staff is more than just a stiff nod and "correct" service. An inspiring place where you meet music, art, design and experience a personal atmosphere. A hotel for experiences - and not just a night's sleep.

Step into the fabulous lobby and enjoy the vibrant setting and the sense that you might have landed in trendy Manhattan in New York or in the heart of London with its city beat.

The entire hotel subtly exudes creativity and exclusivity. The people behind it are Björken Architects with Anders Björkén.
