

CLARION HOTEL BERGEN AIRPORT

HOTEL AT THE AIRPORT

Clarion Hotel Bergen Airport is an international conference, event and business hotel located beside Bergen Airport Flesland. From the airport, you can easily walk to the hotel in two minutes.

MUSIC AND DESIGN

The hotel has a focus on art, music and design. We would like our guests to feel good when they stay with us – feeling, smelling, tasting and embracing the atmosphere of a hotel with a strong and distinctive personality.

FITNESS AND RECREATION

There is a fitness room on the sixth floor, where you can run on the treadmill while watching the planes take off and land. We also have bicycles that can be borrowed in reception, and there are several excellent jogging, hiking and bike trails in the area.

RELAX

On the top floor we have our inviting relaxation centre with a steam shower and sauna. Admission is free to all of our guests, who can enjoy a unique view of the runway at Flesland. Please contact reception if you would like a bathrobe and slippers. Our extra large, wonderfully soft towels can also be found in the wardrobe.

RESTAURANT AND BAR

Our restaurant Sound serves delicious meals for breakfast and lunch, and for larger group dinners. Breakfast consists of a large buffet with both healthy and less healthy alternatives. For lunch we serve a buffet including both hot and cold options. Dinner is served in our bar and À la carte Restaurant Kitchen And Table by Marcus Samuelsson. Enjoy flavours inspired by Manhattan combined with locally sourced ingredients.
